

MOUNT PALOMAR WINERY

Family Wine Club

A Celebration of Life!

The tradition of family and friends gathering together at the table holds a special place in the philosophy of the Poole Family and of Mount Palomar Winery. John Poole, our founder, wanted every visitor to experience life in the wine country. His son, Peter, wants the vision to continue.

Fine wine is the beverage of choice for celebrations and one of our goals at Mount Palomar Winery is to promote the importance of celebrating life as often as possible. Whether you are celebrating a family event, the coming weekend, or simply enjoying time with family and close friends, we believe that there should always be a bottle or two of Mount Palomar wine on hand to share in the celebration.

It is for these special times in your life that we have created the Mount Palomar *Family Wine Club*.
